As a matter of policy, The John Cooper School does not calculate class rank. Only AP courses at Cooper carry additional weight (+.333). The Cumulative GPA shown includes only academic work completed at The John Cooper School. Academic work from other schools will be shown on a separate transcript from the school(s).

Throughout COVID-19, our coursework maintained its depth and challenging expectations, and official grades were awarded. In the 2019-2020 school year, classes were taught remotely from March 16-May 20, 2020. In the 2020-2021 school year, classes began in August remotely before the School transitioned to a hybrid schedule and returned to full, in person classes on September 29, 2020.
